- 5) The system generates a payment slip of € 32 (€16 virtual stamp for the degree application and €16 virtual stamp for the release of the diploma) payable directly from the pages of the online secretariat or in the manner shown on the issue page of the payment slip itself –
THE PAYMENT MUST BE DONE BY 10 March 2025;
- 6) **Check**, with the online secretariat, that your personal private email address is correctly entered in the student registry card;
- 7) The assessment of possible pending issues with the university library system will be verified by the office. If any pending issues exist, the graduand be contacted by the corresponding library.

ATTENTION - FOR DISPI-RELATED COURSES, THE THESIS ANTI-PLAGIARISM CHECK PROCEDURE ON THE TURNITIN PLATFORM IS MANDATORY:

In the days following the deadline for the submission of the degree application, an email will be sent to the undergraduates, by the University Library System, to communicate the opening of the anti-plagiarism platform with instructions to access and insert the papers for the anti-plagiarism verification.

The type of control chosen by the Department is the "Expert Mode": it allows you to conduct checks and correction actions by inserting parts of the paper from time to time (e.g., chapter by chapter) or by inserting the complete work. Agree with the Supervisor how to upload your paper.

The thesis must, **as a mandatory requirement**, to be uploaded on the Turnitin platform: the Supervisor will have to control that the percentage of plagiarism do not exceed 20% of the entire document.

The Supervisor will enter the identification code assigned to the paper and the percentage of plagiarism detected by the Turnitin platform in the "Application to be awarded the degree" before approving the thesis and entering the approval.

From 17 March to 02 April 2025:

- 8) **The Turnitin platform will be accessible** from the pages of the USiena Integra University portal on page <https://elearning.unisi.it/> to upload the thesis paper for the verification of the anti-plagiarism percentage;
- 9) when compiling the thesis information, in the field relating to **"type of thesis authenticity verification"**, enter **"Expert mode"** for the Turnitin anti-plagiarism system, pay attention to **save/confirm** the several masks that the procedure proposes;
- 10) Once the paper has been entered, the system, sends a response, in about 15 minutes, indicating the information sources from which plagiarism could result and the percentage of similarities between the texts in the database and the paper subjected to verification.

No later than 02 April 2025:

- 1) Upon verification of the respect for the parameters of any plagiarism: upload the paper submitted for verification in "Application to be awarded the degree". The paper must be uploaded in **digital PDF/A format, the maximum file size cannot exceed 20 MB**, as per the instructions on the online secretariat: the thesis **must be uploaded in a single file**, the program **DOES NOT allow the uploading of multiple files** or of **documents in formats or extensions other than the one indicated above**. The final title of the thesis must also be entered or confirmed at this stage;
- 2) At the same time the final document is uploaded: going back to the Bulletin Board, the graduand click on **"Approval Request"** and fill in the required fields;

- 3) The thesis will be viewed by the Supervisor who, having verified the conformity of the paper included in the "Application to be awarded the degree" procedure and on the Turnitin platform, **will have to give its acceptance**, the graduand will receive a confirmation email;
- 4) **No hardback copy** of the thesis will have to be delivered: the members of the graduation commission will be able to view the paper by accessing the online secretariat with its credentials.
- 5) The document uploaded during the online procedure is the official thesis that will be registered in the University's Student Archive.

WARNING:

- The students who, having submitted their graduation application, would like to renounce to the session must promptly enter the request for cancellation in the 'Application for Degree' procedure yourself;
- To be able to graduate in the next session the 'Application to be awarded the degree' procedure must be started from scratch.

The Commissions will be published at:

<https://www.dispi.unisi.it/it/didattica/ricevimenti-lauree-esami-etc/sedute-di-laurea>

The starting mark is calculated on the weighted average of the examinations (deliberation DISPI of the 20.05.2009), praise does not count in the determination of the starting grade.

IMPORTANT NOTICE:

- **The credentials** to access the services offered by the University also remain active;
- **The institutional email address** remains active for approximately two years after the graduation session, we urge users not to use the institutional email address for purposes other than those foreseen and permitted by the University regulations;
- **The Department** will continue to send communications of events: seminars, conventions, post-graduate activities, scholarships, competitions, etc., both to the institutional email and to the private one.

IMPORTANT:

For information on the timing and procedures for issuing the degree parchment, please contact the Ufficio Affari Generali Studenti - Rilascio Diplomi at the email address diplomi@unisi.it
